

How to be a CPS...

In the classroom

PAPER	In the scrap tray or in the co-mingle bin
PLASTIC BOTTLES	Co-mingle bin
SOFT PLASTIC	If you can roll it in a ball it can go in the staff room soft plastic bin
BATTERIES	In the bin near the office
PENS ETC	Pens, felt tips, highlighters, markers, correction tape can all go in the bin near the office (no Glue sticks or pencils please).
FOOD	In the compost caddy that you all have. These should be emptied into the Oscar Bins which are now near the cow and the pyramid play area. Get the students to give them a quick wash on the way back to the classroom.
LUNCH BOX WASTE	If you can't recycle it – the students should put it back in their lunch box and take it home.

In the staffroom

PAPER	In the co-mingle bin
PLASTIC BOTTLES	Ditto
FOOD CONTAINERS	Ditto but not if they are grotty – give them a quick wash or put in the rubbish
SOFT PLASTIC	In the bin labelled SOFT PLASTIC – if you can scrunch it, it goes in here

FOOD In the caddies with the compostable bags – these can then be put directly into the OSCAR bin that is outside the front door – not too far to walk 😊

Please put coffee grounds and tea bags in here as well.

If you see a bin is full please feel free to empty it 😊 and if you are going to the supermarket please feel free to take the soft plastic which can be put in the bin at both Coles and Woolies.

PRINTER CARTRIDGES In the box in the Resource room or near the office

MOBILE PHONES Box near the office

Not sure where to put it – this is a great website:
